Location: Richmond, BC
Contact: RCMP Richmond File number: 2018-22715 Non Emerg: 604-278-1212

WE CAN'T FLY.

When you fly a drone or drone near or over a #CriticalFire, you're breaking the law and endangering firefighting personnel.

The restricted airspace includes a radius of five nautical miles around the fire and its altitude of 1,000 feet above ground level. The RCMP Canada and the BC Wildlife Service explicitly prohibit the use of UAVs or drones of any size near a wildfire.
