INFORMATION REQUESTED

Theft of Copper Wire

Catalyst Paper 420 E. Kent Avenue Vancouver BC

Site accessed via Fraser River

Between October 3rd and 7th, suspects entered the Catalyst Paper site at 420 E Kent Avenue via the Fraser River. Several hundred pounds of copper wire was subsequently stolen from the conveyor that extends over the river's edge for loading barges. The suspects returned between October 9th and 13th and stole the last of the copper wire on site. Vancouver PD is requesting information on any vessels observed at the Catalyst Paper wharf during the times of the thefts. Catalyst Paper is located on the north side of the Fraser River between the Oak Street and Knight Street Bridges.
