STOLEN BOATS CANADA

(Non Profit – Public Service)

INFORMATION REQUESTED

The Royal Canadian Marine Search and Rescue – Station 10 Richmond, is requesting the public's assistance in identifying two tenders that have recently been recovered in the Strait of Georgia area off Richmond BC. RCMSAR units throughout the BC coast are actively on the water prepared to respond to marine emergencies. Stolen Boats Canada recommends that owners of tenders and small craft mark their contact phone number, and that of an emergency contact, on their vessel to assist search and rescue units to contact owners of vessels found adrift in order to determine if a search for missing persons is required. Please contact RCM-SAR Station 10 at <http://rcmsar10.org/> if you can assist in identifying these vessels and learn how you can help support the RCM-SAR program.
