CRIME ALERT

The Vancouver Police Marine Unit has recovered eight stolen Inflatable tenders over the past 17 days in the False Creek area. The vessels appear to be being used to enter marinas from the water side to commit break and enters to vessels within. Police are attempting to identify a recovered eight foot red 1983 Achilles Inflatable equipped with a 2 hp Honda outboard. Police are also attempting to find the owners of a Nissan 9.8 hp and Honda 5 hp outboard. VPD Marine Unit is recommending boat owners secure their equipment and check on their vessels throughout the off season. Please contact Cst Jamie Gibson if you can assist with identifying the items mentioned. Jamie.gibson@vpd.ca 604-717-9094
