STOLEN BOATS CANADA

(Public Service – Non Profit)

Jamie Gibson 778-229-6932

RECOVERED

On November 15th 2010, a male contacted staff at Chris Small Marine Surveyors and advised that he had purchased a 1993 Mastercraft Prostar from a male in late September. At the time the caller had given the male a deposit but when the seller never returned for the balance owing, the caller became suspicious and checked the Stolen Boats Canada web page. The caller subsequently noted that his new vessel was listed as being stolen from a residence in Abbotsford days before he had purchased it. The vessel has been seized and the incident is under investigation.
