RECOVERED

At the conclusion of the fireworks display in English Bay on July 30th, a Sea Ray Sun Sport 290 caught the attention of members. The HIN and engine numbers had been altered and the VIN had been removed from the trailer. The vessel was seized by members for investigation. Following a Joint Forces Operation between the Vancouver Police Marine Unit and the Coquitlam RCMP Rural Enforcement Unit, the vessel was identified as being stolen from Quebec in June of 2006. The vessel had been re licensed in Ontario before being sold to a Delta man. The vessel has been insured and operating in BC since 2007. Anyone with information that could assist in this investigation is requested to contact Cst Jamie Gibson of the Vancouver Police Marine Unit. jamie.gibson@vpd.ca
