In September 2010, a 2005 Four Winns 210 Bowrider was stolen from the side of Highway 7 between Maple Ridge and Mission. On September 26th 2013 Stolen Boats Canada received a call regarding the stolen Four Winns. The caller stated that the vessel listed on Stolen Boats Canada's web page was currently being stored in the Fraser Valley Region. As a result, Chris Small Marine Surveyors attended the location and assisted the Mission RCMP in confirming the identity of the vessel. The investigation into its theft is ongoing.
