## **RECOVERED VESSEL**

On July 1<sup>st</sup>, 2014, members of the Vancouver Police Auto Crime Enforcement Unit, with support of both the K-9 and patrol divisions, seized a MasterCraft X14. The vessel was later identified by the VPD Marine Unit as a 2008 MasterCraft X14 stolen from Surrey in 2010. The vessel had been repainted white and had been licensed using a fraudulent Hull Identification Number. The investigation is ongoing.
