### **RECOVERED STOLEN VESSEL**

On April 8<sup>th</sup> 2015 at 0600 hrs, a jogger on the seawall in False Creek observed a male in a inflatable checking out other tenders tied up under the Cambie Street Bridge. The jogger immediately contacted the Vancouver Police. Patrol units set up on the bridges in the area in an attempt to observe the suspicious vessel while the VPD Marine units moved into the area. After a brief search of the area between the Granville Street Bridge and the Cambie Bridge, marine units located the male off loading property onto the seawall from a 2014 AB Inflatable. The male was taken into custody. The vessel was immediately identified as stolen from a vessel anchored in False Creek.
