

STOLEN BOATS CANADA

(Formerly Pacific Marine Investigations)

Jamie Gibson 778-229-6932

RECOVERED

Custom Aluminum Log Salvage Jet Boat

On 2008 08 27, Transport Canada Marine Division analyst, Meaghan Burform, made a link between the aluminum log salvage vessel missing from Caroline Lake and a notification of a vessel forwarded to the Receiver of Wrecks. The vessel has been located and the RCMP Detachment covering Caroline Lake will be investigating the matter.
