RECOVERED

On August 27th Chris Marrie of Transport Canada Marine contacted Stolen Boats Canada to advise that a Joint Force Operation checking anglers and boating safety checks on Shuswap Lake between Transport Canada, Department of Fisheries, Conservation and Protection and the RCMP, had resulted in the recovery of two vessels. The vessels were found aground on two different sand bars near Sicamous Narrows. It was determined that the ignitions had been compromised on both vessels. The boats were towed back to Sicamous for an RCMP investigation. Both vessels were stolen from local marinas. Any information that can assist in these investigations can be forwarded to Cst. Ryan Alexander of the RCMP Sicamous Detachment (250) 836-2878
