Information Requested

On 2010 06 29, Delta Police Department members with the assistance of Air 2, Richmond RCMP and the New Westminster Police Marine Unit, recovered the Titan Inflatable pictured below after a brief chase on the Fraser River. Police believe the vessel may have been originally stolen from the Vancouver area prior to being used for committing vessel break and enters in the Delta and Richmond area. If you can assist in identifying this recovered stolen vessel, please contact the Delta Police Department.
