STOLEN RECREATIONAL VEHICLES

Kelowna RCMP are looking for a Red GMC pickup and a White 5 ton cube van following a break in to a locked compound, at 1345 Industrial Rd in West Kelowna, sometime overnight on May 30-31.

Suspects broke into the fenced compound, which surrounds a Tire Shop, Mattress Store and Marine retailer. They emptied the Mattress Store's 5 ton cube van that had been loaded with used mattresses. The van has "Majestic Mattress" logos on the side and a graphic on the rear door, and has a B.C. licence of CH 2705. The thieves then loaded two ATVs and a Yamaha Personal Watercraft into the van. They also took a red 2004 GMC Sierra pickup with BC licence number 3663 FS. Please contact the West Kelowna RCMP at 250-768-2880, or call Crime Stoppers at 1-800-222-8477 (TIPS) or visit the Crime Stoppers website.
